Croatian AI Association - 2022

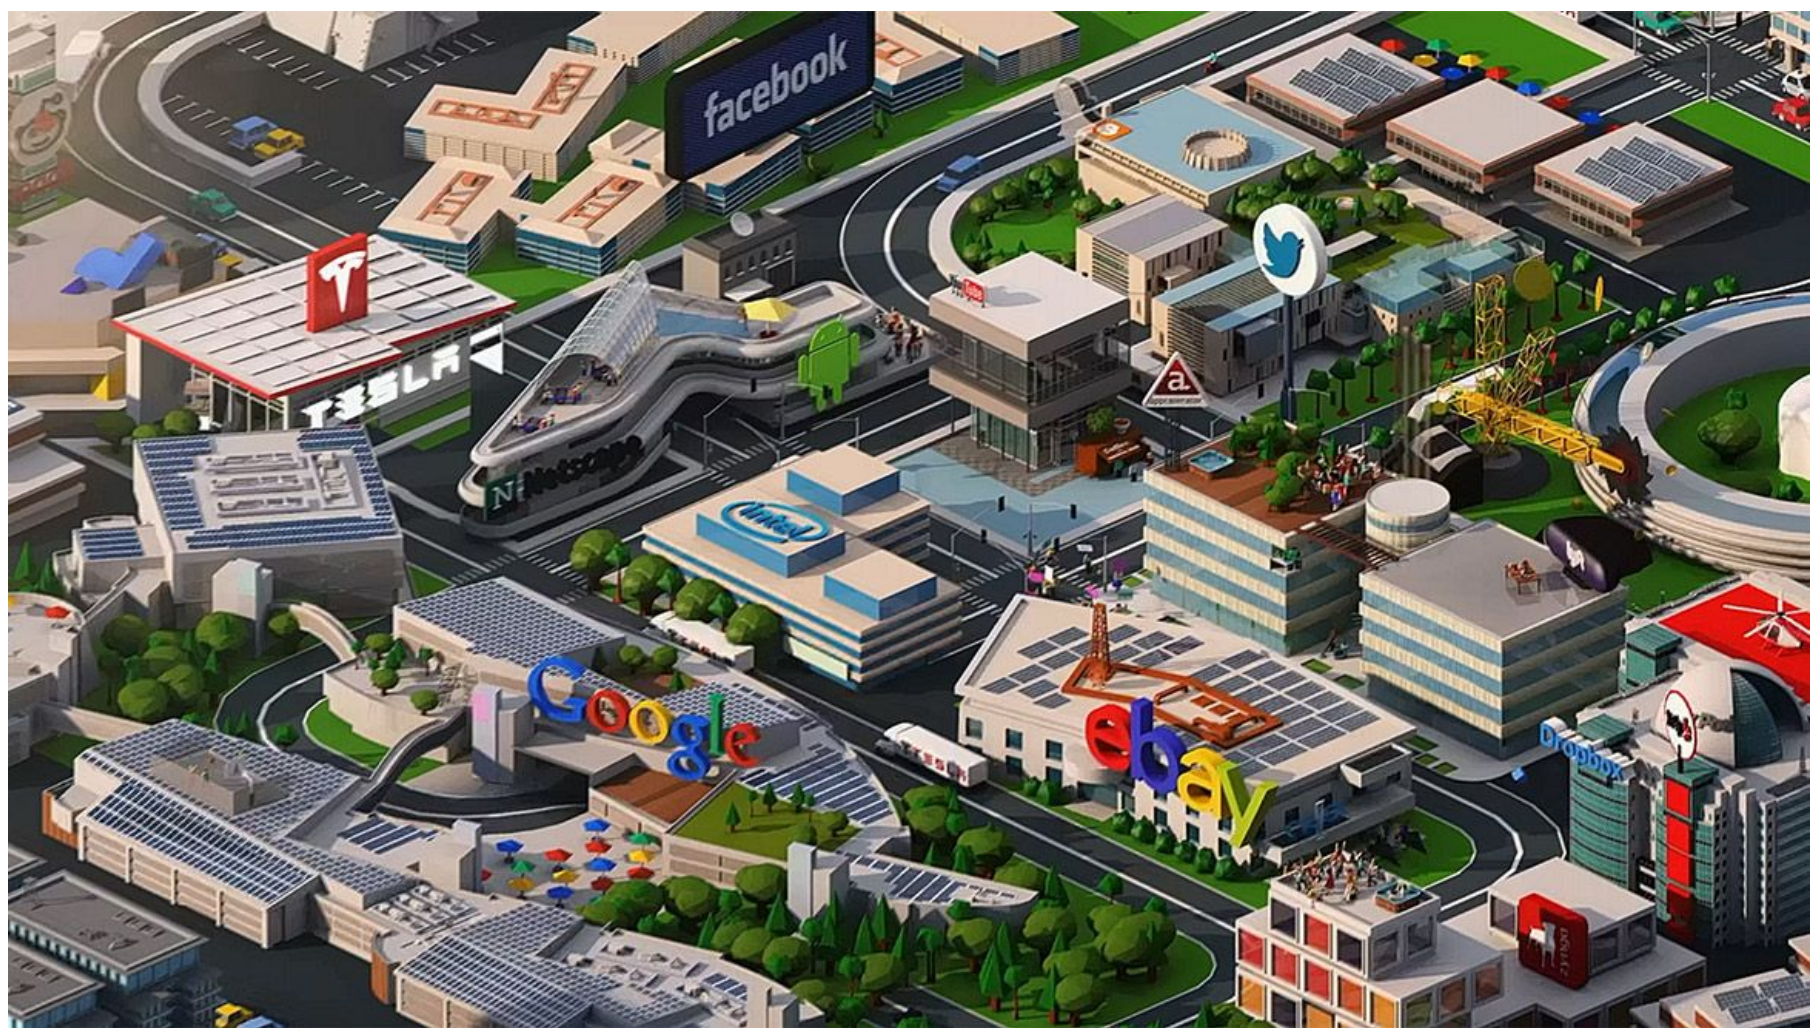

“Around three-quarters of all new digital innovation and patents are produced by just 250 firms.”

OECD

Out of the 15 biggest digital platforms we use, eight are from the US, and six are Chinese.

**“The future is here,
it’s just unevenly distributed.”**

William Gibson

“ok guys hear me out, what if
we move silicon valley to
miami”

Keith Rabois
